THIS WEEK'S HIGHLIGHTS

This week, we learned about the names at school. We also learned the letters B and T. We made a list of names we know that have B and T in them, glued buttons on B, triangles on T, and rainbow wrote on each letter. We "blow painted" with blue and brown paint. We enjoyed making biscuits! We started our Character Counts curriculum. This week we learned about Trustworthiness. We read *Pete the Cat I Love My White Shoes*, *I See Colors*, and *A Color of His Own* to learn about colors. This week, we focused on the color red. We also read *The Kissing Hand*, *Gary and Harry: A Tale of Two Turtles*, and *A Pocketful of Kisses* to learn about friendships and feelings at school. We enjoyed learning about each other through our homework posters! Next week, we will learn P and J, the color blue, and about schedules at school.
