What We Learned

Literacy: We reviewed all of the letters we have learned. We played "Jumping Beans", and "Name something that begins like..." We learned about separating sounds in words.

Writing: We continued to practice writing our names. Writing numbers by using rhymes. We practiced writing the alphabet.

Math/Science: Counting, Days of the Week, Sorting, and patterning. We also practiced describing shapes.

Reduce, Reuse, Recycle: We read *Peter's Chair*, *Earth Friends at School*, and *Household Waste*. We brainstormed ways to be earth friendly at school. We decided to reduce paper. We made a paper recycle box.

Next Week: Plants, and review.
